2021-22 GENESEE VALLEY CSD

BOARD OF EDUCATION GOALS

1. Communications
 - a. During the 2021-22 school year, the district will further improve awareness of academic and extracurricular programs and differentiate communication with all stakeholders by June 30, 2022 through implementing the following:
 - The district will initiate a renewed communications plan to better promote STEAM, athletics, academic, and extra-curricular opportunities.
 - Develop the website into a more engaging communication tool for all stakeholders. This includes an improved calendar function and implementation of a more user-friendly webpage.
 - Increase the number of instructional applicants by improved communication surrounding the benefits of working at Genesee Valley.
2. Promoting STEAM Learning and Innovation
 - a. During the 2021-22 school year, the district will promote the innovation of practice and new partnerships to enhance the PK-12 STEAM initiative at Genesee Valley CSD. This shall include the improved integration of the Genesee Valley Innovation Center into curriculum, the emphasis of Project-Based Instruction, the integration of cross-curricular, interdisciplinary activities that incorporate Science, Technology, Engineering, Arts and Mathematics and the continued promotion of rigorous college credit bearing electives, CLEP and Advanced Placement courses.
 - b. During the 2021-2022 school year, the district will research and develop a community program that would offer all stakeholders opportunities to use the resources within the Genesee Valley Innovation Center.
3. Financial Goals
 - a. During the 2021-22 school year, the district will plan for and incorporate all federal stimulus funding, complete the 2021-22 capital outlay project, and plan the next capital outlay project by June 30, 2022.
4. Leadership Goals
 - a. During the 2021-22 school year, the district will continue to support the Future Leaders Initiative at Genesee Valley Central School District by June 30, 2022.
