

COVID-19 Home Test Kit expiration date updates.

If you have any of the following test kits at home you can find the Lot Numbers and Expiration dates on the back or top of the box. iHealth, Flowflex, Quickvue and BinaxNOW tests have received FDA shelf-life extensions. Before you throw away any tests please check the expiration date and go to alleganyco.gov/departments/health/coronavirus under the **COVID-19 Home Test Kits Expiration Date Updates** tab for more details.
