Fun in the Jungle Summer Camp Rules

- Students will not be permitted to leave the GV campus during the day unsupervised for any reason and under any circumstances.
- Students may not attend camp if they are ill with a fever, cough, body aches or pains, diarrhea, sore throat, lost of taste or smell or any contagious illness. Students must be picked up immediately in the event of illness at camp.
- Appropriate attire must be worn at all times. Students are expected to swim every day and should pack a swimsuit, a towel and a plastic bag for wet clothing. Please have your child wear sneakers and outdoor recreational clothing and apply sunscreens or bug repellent before coming to camp. Please label all of your child's belongings.
- Remember this is camp, so please leave at home ANYTHING you would not want to lose or damage.
- Students must leave all cell phones in their backpacks and I-pods, I-pads or other electronic devices at home.

We ask that all parents/guardians go over this Code of Conduct with their children. We place high importance on all students treating others in a positive, respectful way.

Student Code of Conduct

- We will be respectful, honest and kind. Use positive language, be gracious competitors, show good sports etiquette and share.
- Be considerate to others and the environment by cleaning up after yourselves.
- In a group situation, please no talking while someone else is speaking, always raise your hand if you have something to contribute and use inside voices indoors.
- Follow the teacher's directions, if you do not understand, ask questions!!
- No violence, throwing things, pushing, rough housing, profanity or demeaning language.
- Be especially careful in the pool, no horseplay in the water.
- Always ask a teacher to settle an issue between students. Don't take matters into your own hands.

If a camper doesn't follow the Code of Conduct, we follow a progressive discipline philosophy and will always bring in the parent early in the process.

Consequences of Not Following Code

- The camp Director will determine disciplinary action after teachers report incidents and consequences may include: 1) Gentle reminder 2) 15 minutes aside from group activity 3) Call parent/guardian and leave for the day 4) Student will be suspended from attending camp.
- Fun in the Jungle Summer Camp reserves the right to immediately dismiss any student from the program for extremely disruptive behavior, for behavior placing a student/staff's safety in jeopardy or any violence. Examples include but are not limited to: 1) Intentionally hurting another student 2) Stealing 3) Refusing to comply with a safety directive 4) Violence, etc.

I have read and agree to abide by the Rules and Student Code of Conduct. I also agree to allow the GVCS District staff to apply sunscreen to my child as needed.
