## Parent Portal

### Parent Access and View

Prior to accessing the Parent Portal to view documents relating to your student's Academic Intervention Services (AIS), Response to Intervention Services (RTI) or Special Education Services, an invitation e-mail from the district is required.

If you have not received an invitation to access your student documents, please contact your district or student's teacher.

Once an e-mail invitation is received with a secure link and temporary access code. The e-mail will look similar to this:

- **Click** the link: [Click here to access your student's documents](#).

The initial invite link will bring you to a Portal Welcome page:

- Enter your **e-mail address** and **temporary access code**. Note: the temporary access will expire after 7 days. If you do not initially login before the expiry time, a new invite e-mail will be needed.
- Contact your district.

**ACCEPT PORTAL INVITATION**

Welcome to the ClearTrack 200/RTIEdge Parent Portal. Please enter your e-mail address and the access code you received and click Continue to proceed:

Tanner

- **Create your password**. Note, the required characters for the password. The password will turn green when all required characters have been entered.
- **Reenter** the password just created.
- Click the **Continue** button.

**PASSWORD SETUP**

You now need to setup a unique password that you will use the next time you login to the Parent Portal.

The password must contain:

- at least 8 characters in length
- include a mix of upper and lower case characters
- number(s)
- and special characters, such as !,\*,,\$

Enter your new password  

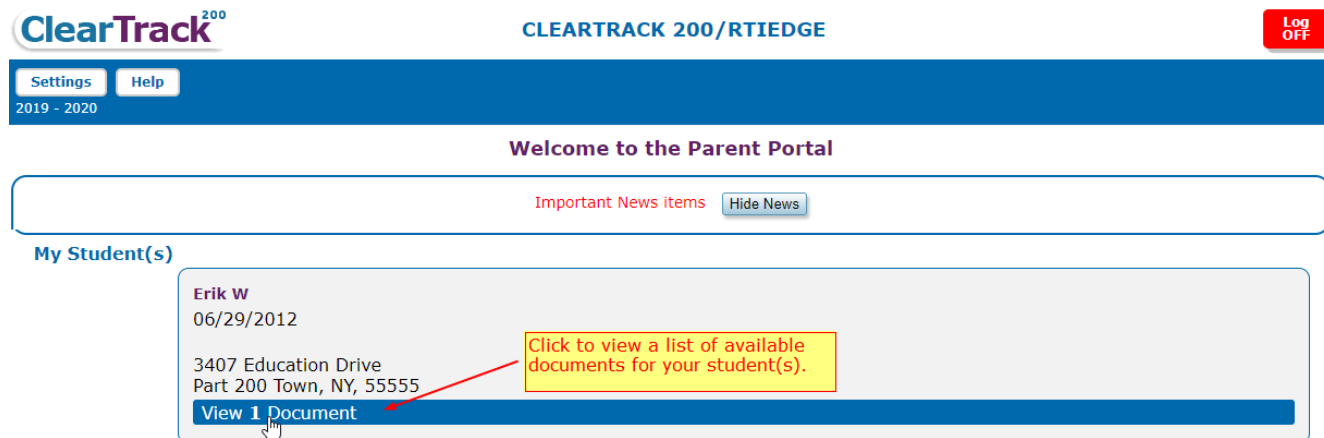

Re enter the same password  

A screen displays indicating the password has been successfully setup.

- Click the **Continue** button.

You are now logged into the parent portal. From this view, you are able to see each of your students and any relevant documents for each student.

- **Click** the View Documents to display a list of available documents below the student.
- **Click** on the PDF document. The document will open for viewing.

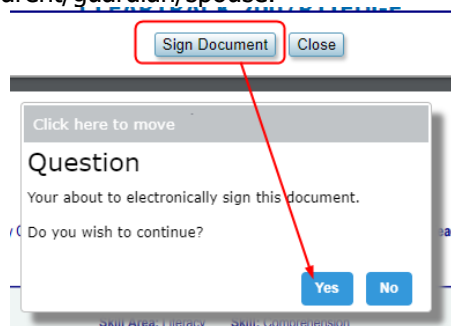

Note: Districts may setup documents that require a signature. If a document requires a signature, that is indicated in red in the signed column.

### Signing a document

When viewing the document, a Sign Document button displays.

- Click the **Sign Document** button. A message displays that you are about to electronically sign the document and if you want wish to continue. Click **Yes** to sign the document. A date and time is stored indicating the document has been signed and accepted by the parent/guardian/spouse.

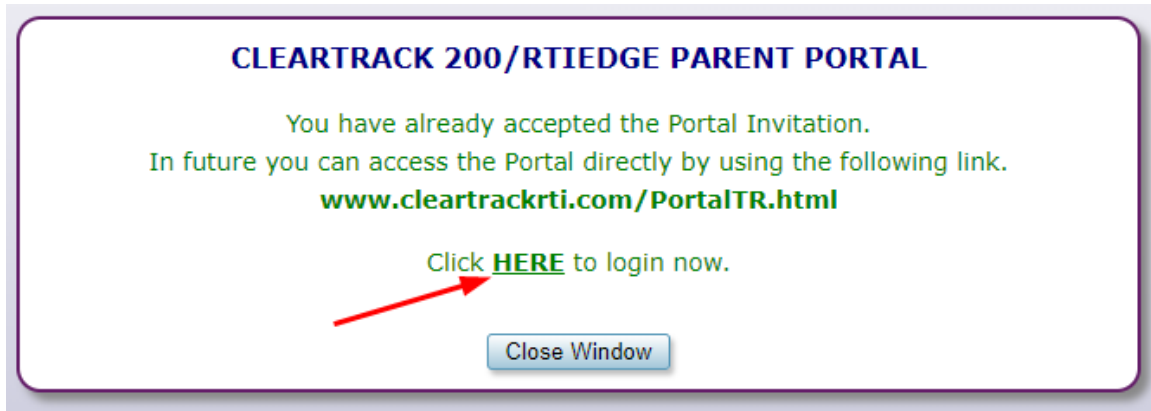

Note: The Portal session will expire after 10 minutes of inactivity.

**Once your account is validated and password setup:**

If you click the link from the initial invite e-mail after validating your account, this screen displays. The screen displays a message that the portal invitation has already been accepted with the portal link for future reference.

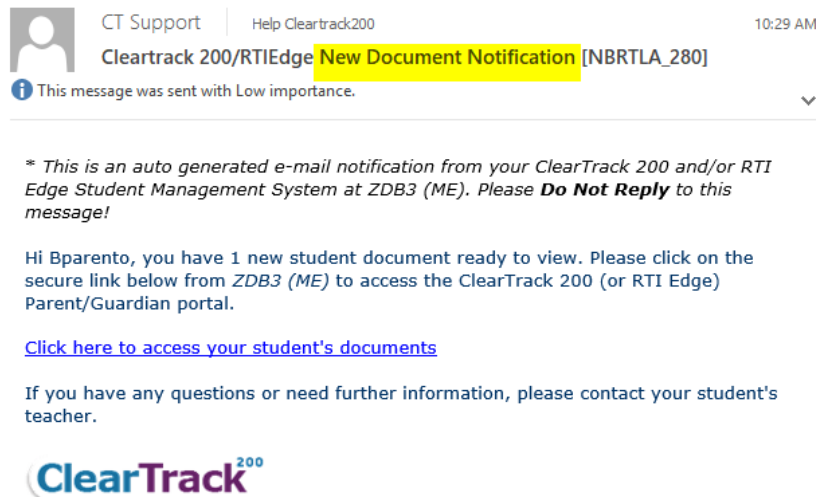

- **Click** the **Click HERE** link to log back into the portal.

New Document Notification

When a new document is added to the portal, the parent/guardian/spouse will receive a New Document e-mail notification. **Click the link:** Click here to access your student documents.

Login to the portal with your e-mail address and password.

## Security

For security, if you enter the incorrect e-mail and or password 3 times, your account will be locked for 1 hour. It is recommended to click the [Forgot Password](#) link before your account is locked. This will generate an account reset and a new invite e-mail will be sent to your e-mail. You will need to revalidate your portal access.
